Disclaimer
This letter is provided solely to confirm certain factual matters as requested and does not constitute an opinion or provide any assurance beyond that expressed in our service auditors' report. Our engagement was conducted in accordance with the attestation standards established by the AICPA, and the scope of our work was limited to those procedures necessary to complete the attestation engagement, which is subject to inherent limitations. We have not performed any procedures beyond those described in our service auditors' report, and we do not express any opinion or provide any assurance on any other matters.
